By Siphamandla Nyembe and Hope Motitimi

Minister Sihle Zikalala and Deputy Minister Bernice Swarts with Acting DG Nyeleti Makhubele met with the Department of Home Affairs Minister Dr. Aaron Motsoaledi on 3 October 2023 at the DPWI Head Office in Pretoria.

Minister Zikalala and Minister Motsoaledi's teams aim to ease frustrations caused by delays and poor project implementation that hamper service delivery by clients departments. Minister Zikalala is spearheading a turn-around strategy to speed up the construction of projects.

The DPWI is currently handling 22 projects from the Department of Home Affairs. A war room has been established and is to report regularly to the Ministers.

Steps will be taken against failing contractors, including being immediately replaced. Home Affairs Minister appreciated the progress and intervention made by the Public Works and Infrastructure Minister and Deputy Minister.
