The Head of the Property Management Trading Entity (PMTE) at the Department of Public Works and Infrastructure Mr. Siza Sibande met with the PMTE staff today at the Departmental headquarters in Pretoria. He took the opportunity to formally introduce himself and the newly appointed Deputy Director-General: Programme Management Office (PMO) and Special Projects Ms. Luyanda Kafile to the PMTE staff.

Having served in various government departments, Mr. Sibande mentioned that the DPWI is viewed, among other government departments, as a department that only serves itself. He aims to change this perception for the better during his time with the DPWI.

"As public servants, it is our responsibility to serve our people with dignity, to serve our people with commitment and to be ethical in fulfilling our duties," said Mr. Sibande. He went on to assure colleagues that he seeks to make the DPWI an implementing agent of choice that is sustainable and the PMTE an entity with a lucrative portfolio that leverages on the opportunities presented to it.
