The Department of Public Works and Infrastructure Minister Mr Sihle Zikalala handed over the refurbished state-of-the-art Chatsworth Magistrate's Court to the Justice and Constitutional Development Department in Chatsworth, south of Durban on **19 April 2024**. The court was thereafter officially opened by Justice and Constitutional Development Deputy Minister John Jeffery.

The refurbished Chatsworth Magistrate's Court now has 7 courts with 10 holding cells and additional administration facilities, which enables improved service to the community. The project also involved the construction of a new secure offender drop off zone with direct access into the holding cells. The new design also provides easy access for People With Disabilities throughout the building via wheelchair ramps and lifts.

Speaking during the official opening of the court, Minister Zikalala said government remains committed to investing more resources to provide court infrastructure, to support the cause of effective and efficient justice delivery.
