THE DG MEETS THE MTHATHA REGIONAL OFFICE STAFF

By Brian Dlamini

The Director-General of the Department of Public Works and Infrastructure, Mr Sifiso Mdakane, met with the Mthatha Regional Office Management and staff earlier this week, where he encouraged the spirit of collegiality and unity to ensure that the Department through the Region, achieves its objectives as per its mandate.

Speaking during the meet-and-greet session, the DG said he was impressed with the contributions made by all the Mthatha officials. "I want to thank you immensely for your tireless efforts," he said.

The DG emphasized that "there are many issues that must be addressed, some are complex and some are easy and quick to resolve. Though we cannot do everything at once, it remains our responsibility to initiate steps towards resolving these challenges," continued the DG.

Mr Mdakane added that he will start a process of assessing the organisational structure with the objective of improving efficiency and service delivery.

The Director-General invited all staff members with qualifications that require professional registration to come forward through the Regional Manager to be placed in relevant areas/field of work in the Department. "This will assist in your mentoring and ultimately the registration process," he said.

He concluded by wishing the Region well in this financial year 2024/25 and advised that all the issues raised in this session be followed up with practical action until they are resolved.

BALLOTS
