MINISTER VISITS WOLF WIND FARM

Department of Public Works and Infrastructure Minister Dean Macpherson conducted an visit at Wolf Wind Farm in the Eastern Cape on the 8th of August 2024, to emphasize the work Infrastructure South Africa that has done which will create job opportunities and meet energy needs of 110,000 households.

The Wolf Wind Farm is one of the 25 Bid Window 5 Preferred Bidders that was announced in October 2021 under the Strategic Integrated Programme 8 and Renewable Energy Independent Power Producer Procurement Program. This project will create job opportunities and it is set to contribute about R200 million to community development over 20 years through a variety of social projects.

Minister Dean Macpherson has affirmed that his focus will be on supporting economic growth in communities across the country. This project highlights the minister's focus to capacitate Infrastructure South Africa further to unlock Infrastructure Investment in the country.
