'Zuma home not built with public funds: Nxesi'

HOW can Jeff Radebe and Thulas Nxesi stand there with open faces and lie like that? Do they not have an ounce of integrity and ask themselves why are they lying for the president? Do

they not have any morals?

What is happening to SA, that the ANC can rape us like this and there are no repercussions? --Traveljun

"OPERATIONAL costs"?

What exactly does that entail? What a wonderfully meaningless catch-all cover phrase. Ag, who even expects anything vaguely resembling honesty and/or integrity from this band of

ANC misfits? - RobinX

THIS story will be put to rest only after the public protector's report.

NO surprises in this report - you could have saved us (the investigation) and just told us that you are going ahead with the spending, whether we like it or not.
