### Mabe set to visit Trompsburg Hospital

PUBLIC works MEC Sisi Mabe will today visit Trompsburg District Hospital as part her oversight to the department's Capital Projects. During the visit Mabe will inspect progress made at the hospital's construction site. "Part of the visit is to make sure that the MEC gets first-hand information on the progress of the project and that she interacts with all stakeholders involved in the construction. As far as the construction of this hospital, a progress rating of 75% is recorded since construction started in October 2010," the department said yesterday. The anticipated completion date of September is still on course. - 701151
