■ The ANC is allergic to any person who wants to eradicate corruption. Vavi is being persecuted by Sdumo Dlamini and Thulas Nxesi for forming Corruption Watch, which is taken by ANC cadres as a tool to discredit Jacob Zuma and the ANC. The ANC believes Vavi is opposing the leeches' unity for self-enrichment through tenders and black economic empowerment deals, which they access through corrupt means. I advise Vavi to join Mamphela Ramphele and Moeletsi Mbeki to fight corrupt ANC leeches! — *Jakes Mathews*
