Public Works Minister Thulas Nxesi has proposed that a report on upgrades to President Jacob Zuma's Nkandla residence be tabled before a Parliamentary committee that deals with national security matters.

He says this is due to the sensitive nature of the matter. However, he says he's requested the Speaker of the National Assembly to advise on the appropriate manner of tabling the report for a debate.

Nxesi's given a written reply to a Parliamentary question from DA Parliamentary leader Lindiwe Mazibuko. He says appropriate disciplinary action will be taken against all those found guilty of wrong-doing related to expenditure on the Nkandla upgrades
