Asset register donee by 2015, says Nxesi

THE government's immovable assets register will be "substantially" completed by March 2015, Public Works Minister Thulas Nxesi announced yesterday. "This is a real game changer," he told reporters at Parliament. The value of property owned by the State is an estimated R300bn. Speaking on the eve of debate in the National Assembly on his department's R6.2bn budget, Nxesi said the completed register would prove a powerful tool. — Sapa
