

Interchange opens

CAPE Town's new R60-million R300/Bottelary roads interchange has been opened.

City traffic authorities, along with the Western Cape Department of Transport and Public Works, and the South African National Roads Agency Limited (Sanral), lauded it as a major step to alleviating traffic congestion in the Kuils River area.

Western Cape MEC for Transport and Public Works, Donald Grant, said: "This interchange has been completed on schedule and within budget. This project is a testament to what can be achieved through partnerships based on shared commitments." – ANA
