

Open fraud case call

THE Forum 4 Service Delivery (F4SD) wants North West Premier Supra Mahumapelo to open a criminal case against axed MEC Madoda Sambatha.

“We have written to the premier to urge him to do the honourable thing and open a land sale fraud case pertaining to former public works and roads MEC Madoda Sambatha,” said F4SD national leader Mbahare Kekana.

He said according to law, the legislative body to probe fraud cases is the SAPS. “Failure by the premier to report this case timeously amounts to defeating the ends of justice and depicts that one is party to the matter.” – ANA
