Centenary Secondary's SGB dedicated to school

School Governing Bodies play a pivotal role in school governance. They are responsible for managing various portfolios which include among others, buildings and maintenance and fundraising.

It is therefore important for all stakeholders who serve on the SGB to be credible and committed. Centenary Secondary School, which is situated in Asherville, is fortunate to have a team of dedicated parents serving on its SGB. The nine parents, who serve on the SGB, have been working tirelessly since their term of office began in May this year.

At the school's recent senior prom, the parent

component of the SGB, ran a fully-fledged tuckshop which brought in a huge income. They have been commended by keynote speaker at the prom, Mr Ravi Pillay, MEC Human Settlements and Public Works.

The very same parent component is now hosting a fundraising show with the ever popular Flash Entertainers at Thekwini College auditorium (Asherville Campus) on Saturday, August 25. Principal of Centenary Secondary School, Mrs O Maharajh, said it is an absolute pleasure to work with such a sincere and a dedicated team of parents.
