

Mandeni Municipality honoured with award

Mandeni Local Municipality scooped the prestigious 'Best Local Municipality Award' in the infrastructure sector category at the Kamoso Awards hosted by the Provincial Department of Human Settlements and Public Works.

These awards were hosted at Coastlands Hotel, Umhlanga on Saturday, 13 October 2018. This was the first time that the Municipality took home this award. Mandeni has over the years implemented a host of infrastructural projects including the 2496 units built during the Inyoni Intergrated Housing Project, Macambini Rural Housing Project and Mathonsi/Sundumbili Rural Housing Project.

Speaking after this occasion, Mandeni Local Municipality Mayor, Sphehile Zulu lauded the support and patience from the community as key to delivering proper services.

"We are very happy as the Municipality for this award, it shows that working together really does pay, it also shows that hard work is key to getting things done. We hope that our community will be happy about what we managed to achieve this year and we will also continue ensuring that we implement our IDP," said Zulu.

Although this was the first

Kamoso award for the Municipality, Mandeni is no stranger to being honoured at big stages as for the past three years the Municipality has been able to achieve clean audit statuses. This award also showed that the Municipality is living up to its vision of being a reliable people-centered and sustainable economic hub by 2030.
