DPW not involved

The article “EC officials demand sex for houses” (DD, Jan 23) has reference. The public works department wishes to set the record straight that its mandate has nothing to do with the construction of RDP houses, nor is it involved in allocating houses to community members. It is a pity that a staff member of the department commented and made commitments as the DA marched to the public works offices in Komani.

– **Vuyokazi Mbanjwa**, Eastern Cape public works spokesperson
