**T**he Certification Ceremony for the 2018 Certificate for Commercial Property Practitioner (CCPP) took place on 25 April 2019 as part of a joint venture between SAPOA and the University of Pretoria.

More than a hundred participants registered for the programme in 2018. Seventy-five of them were from the Department of Public Works (DPW).

This popular course was offered for the first time in 1996. To date, it has been successfully completed by 785 participants.

The top three students for 2018, all from the DPW, received their certificates with distinction. Top honours were awarded to Thantaswa Mgemane; Petrus Whielers took second prize and Ntwanano Hlekane was third.

The guest speaker for the celebratory evening was John Loos, who is a property sector strategist at FNB Commercial Property Finance.
