In the spirit of Nelson Mandela, Mayor of the Greater Tzaneen Municipality, Councillor Maripe Mangena handed over two three bedroom houses in Tickeline Village on Mandela Day.

The Mayor was joined by MEC Mochadi of Public Works and Councillor Given Malatji (Acting Executive Mayor of Mopani District Municipality).

Mayor Maripe Mangena led a sod turning ceremony at the road adjacent to the Nelson

Ramodike School in Nabane Village.

The event was supposed to mark the beginning of the construction of a 4.8 km road to connect Nabane and Marumofase with Lenyenye, however the contractor is only expected on site in two weeks.

The road upgrade will address access challenges faced by local residents. Speaking at the ceremony, Mangena urged the community to work with the contractor in order to finish the project quicker.
