

# MEC Molapisi gives 42 children new school shoes

During a Mandela Day commemoration at Loula Fourie Primary farm school near Potchefstroom in July, the MEC of Public Works and Roads, Gaoage Molapisi, promised to provide school shoes for deserving learners. Mr Molapisi recently made good on that promise. He went back to the school and handed out shoes to 42 deserving learners. He also donated food parcels to three destitute families who were over the moon and appreciated the gesture.

Present on the day were the school principal, Mr Lethoba; the chairperson of the school governing body, Mr Mohlala; the circuit manager, Ms Selebogo and the then acting mayor of J.B. Marks Municipality, Mr Kelvin Johnson.
