

MEC launches Operation Khawuleza in Maphumulo

By Thokozani Mnguni

MEC for Human Settlements and Public Works in the Province Mrs Peggy Nkonyeni together with iLembe District Municipality and Maphumulo Local Municipality launched Operation Khawuleza in Maphumulo on 10 October 2019.

Operation Khawuleza is an intervention

of Government aimed at back-up municipalities to respond to service delivery challenges that continue to trigger high level dissatisfaction in communities. MEC Nkonyeni handed over 2 water tankers, 2 honey suckers, 1 refuse collection truck, 1 grader, 1 TLB and 2 stampede rollers to speed up service delivery in iLembe District.

Speaking at the launch iLembe District Municipality Mayor Cllr Sduduzo

Gumede said Operation Khawuleza will yield positive results especially in remote areas.

“Water tankers and honey suckers will make a huge difference in the iLembe communities since iLembe has insufficient honey
