

## NUMBERS OF THE WEEK

The amount Finance Minister Tito Mboweni said on Wednesday that the state spends in a year on cellphones for public servants

**4** The number of countries that have won the Rugby World Cup. New Zealand has won it three times, Australia and South Africa twice, and England once

New Zealand  
South Africa  
Australia  
England

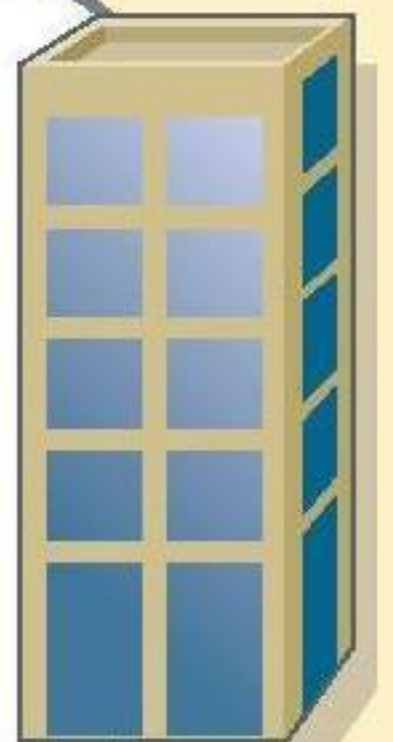

Happy 50th birthday to the internet — the first message over a network of computers that would evolve into the internet was sent 50 years ago this week

John Witherspoon

**77** The age of veteran actor and comedian John Witherspoon — loved as Grandad in the TV series Boondocks — when he died this week

**81 000** The number of buildings owned by the department of public works and infrastructure, of which 703 are vacant, according to the Freedom Front Plus. Property taxes are R36m a year

**758** The number of years serial rapist, burglar and cop killer Bongani Lucky Masuku was sentenced to in the Pretoria high court, sitting in the Benoni magistrates court
