## R100m to house military vets

THE KwaZulu-Natal government has set aside almost R100 million for military veterans housing projects in the province.

This after Human Settlements Minister Lindiwe Sisulu and the KZN MEC for Human Settlements and Public Works Peggy Nkonyeni met veterans to resolve the Aloe Ridge housing invasion issue.

“As a caring government we made a commitment that we will provide our military veterans with houses, training and medical assistance, among other things. We have provided some houses for our military veterans but others are yet to benefit and this is what we are going to prioritise going forward,” she said.

KZN Human Settlements and Public Works media liaison Mbulelo Baloyi said the department had found areas in the Msunduzi Municipality.
