

MEC Inspects Construction of Xolo-Xolo School

While visiting Kokstad over the weekend, KZN MEC for Human Settlement and Public Works, Jomo Sibiya inspected the construction site of the new Xolo-Xolo Primary School. The project is being conducted by the Department of Public Works on behalf of the Department of Education and once complete the school is set to house hundreds of local learners in a state of the art facility.

MEC Sibiya remarked that the school is beautiful thus far and was excited to see the final outcome.
