Tweets of the day

This is nonsense. As much as these buildings are/ were national key points, they definitely had building plans. National Public Works is the custodian of all this information. Start there.

@kagi1974

Just love to watch Malusi Gigaba squirm and sweat at Zondo. Face with cold sweat and obfuscate and deny and lie. Lovely.

@gailhelyar

That's where I disagree with Gary Player when he says "only your wife and your dog knows you came second". Although disappointed in coming second, thousands of people respect Louis' accomplishment. Apart from the money he moves up in the world ranking.

@samstone1945

It's already happening. Be safe. Avoid public spaces and crowded spaces. People are dying at a faster rate this time. Don't rely on government regulations. Use your own discretion. Protect yourself and your family. Limit contact with others, even family.
