The MEC for the Department of Public Works, Roads and Infrastructure in Limpopo, Nkakareng Rakgoale, accompanied by the Mayor of Elias Motsoaledi Local Municipality, Cllr. David Tladi, the Executive Mayor of Sekhukhune District Municipality, Cllr. Minah Bahula and Kgoši Rammupudu

Rammupudu II conducted a site inspection to monitor the state of a damaged RnR bridge on the R574 road and at Tafelkop village on Monday morning, 27 November 2023. According to Elias Motsoaledi Local Municipality, the purpose of the visit was to verify that maintenance work on the bridge was

continuing after being halted due to an impasse between the contractor and a local business forum. During the visit, MEC Rakgoale assured the community that her office would continue to monitor the work and that road users' safety would be their utmost concern.
