# Municipality goes all out for Mandela Day

Dedicated volunteers from the Steve Tshwete Local Municipality enthusiastically participated in a range of activities, getting their hands dirty during Mandela Day.

Councillor Mhlonishwa Masilela, mayor of the Steve Tshwete Local Municipality, along with Thomas Ngwenya, the recently appointed mayor of the Nkangala District, and Mandla Ndlovu, the Mpumalanga MEC of Public Works and Roads, all joined in festivities.

The day's programme started at Beestepan Agricultural School, where they donated school uniforms. They proceeded to the Sister Mashiteng Clinic in Mhluzi, diligently painting both the clinic's interior and exterior areas.

Simultaneously, members of the DA kindly distributed hot cups of soup to those

in need, while the municipal officials and their stakeholders donated food parcels to the community.

The officials also took charge of patching potholes and mowing the grass along the Stoffberg road.

Mayor Masilela and former acting municipal manager Thokozile Zulu.
