Encouraging youths to work towards a brighter tomorrow

Dibolelo Mance, Free State MEC for Public Works and Infrastructure (left), brought a smile to a group of impoverished learners at the Batho Primary School, donating brand new shoes. With her are Pule Mokotjo (headmaster) and Sabie Musarugwa (Department of Education). Donated on Wednesday, 29 January, the much-needed shoes, as well as sanitary products and painting material, serve to support the back-to-school campaign. PHOTO: SUPPLIED
