Speaker reaches out to Ward 37

Lentswe, Jouberton - The Speaker's Outreach Program is currently underway in Jouberton, Ward 37.

Cllr Stella Mondlane-Ngwenya, along with Ward 37 councillor, Happy Plaatjie, are providing essential services to the community. The program aims to bridge the gap for those struggling to access these services.

Some of the key activities taking place during the campaign include:

- Expanded Public Works Programme (EPWP): Officials are present to clean the area, demonstrating the program's commitment to community development.

- Collaboration with government stakeholders: Various government stakeholders are working together to provide a range of services, ensuring a comprehensive approach to community support.

- Department of Home Affairs services: The Department of Home Affairs is assisting with ID applications and other related matters at the Assemblies of God Church in Jouberton, Ward 8.

"This outreach program is a significant step towards addressing the needs of the community, and it's great to take proactive steps to make a positive impact," said the speaker.
