BOJANALA PLATINUM DISTRICT MUNICIPALITY FOSTERS EDUCATIONAL EXCELLENCE

BOJANALA PLATINUM DISTRICT MUNICIPALITY — In a commendable display of support for education, the Bojanala Platinum District Municipality showcased its commitment by attending the well-deserved recognition event for the Matric Class of 2024, held at the Rustenburg Civic Centre. Municipal representatives, including MMC for Special Projects, Cllr Mahommed Karani, and MMC for IDP and Town Planning, Cllr Ignatius Msoki, were present to celebrate the achievements of the students. The district municipality has consistently implemented programs aimed at promoting educational success. One of its highlights, the annual Mayoral Bursary Scheme, provides opportunities for both employees and academically deserving learners to pursue their studies at institutions of higher learning. During the event, the municipality also awarded a laptop with a power bank to the best-performing learner in the district, further incentivizing academic excellence. Since the recommencement of classes, the general workers engaged in the Expanded Public Works Programme (EPWP) have been actively involved in cleaning school premises, ensuring a conducive learning environment for students. Notably, two of the top-performing learners in the entire North West province hail from the Bojanala district, specifically from Rustenburg and Moretele, marking a significant achievement for the area.
