2024/25 EPWP PROVINCIAL KAMOSO AWARDS

This evening is truly an honour and a joyous occasion as the Mpumalanga Department of Public Works, Roads and Transport celebrates excellence and dedication through the 2024/25 EPWP Provincial Kamoso Awards, taking place at the Sydney Choma Banquet Hall, Middelburg. We are joined tonight by the executive mayors from districts and local municipalities across the province, representatives from the National Department of Public Works and Infrastructure and provincial departments, invited guests, EPWP participants, and implementing agents. This is a night that honours those who turn opportunity into impact and

service within the Expanded Public Works Programme. Tonight, we are not only recognising outstanding performance but also celebrating the spirit of service, partnership, and empowerment that defines the EPWP. We have also taken this opportunity to extend our heartfelt gratitude to all stakeholders, in particular, municipalities, provincial departments, public entities, and our implementing partners for their unwavering commitment to ensuring that the EPWP continues to touch lives and uplift communities across Mpumalanga. The Kamoso Awards serve as a vital platform to acknowledge and reward excellence in the

implementation of EPWP projects across all sectors. These awards recognise municipalities, provinces, departments, public entities, and individuals who have excelled in implementing the Expanded Public Works Programme. To all the winners and nominees of the 2024/25 Kamoso Awards, we extend our warmest congratulations. Their dedication, passion, and innovation inspire us all. "Through their efforts, we continue to make the Expanded Public Works Programme a vehicle of hope, dignity, and opportunity for every citizen of our province."
