# DA calls on Premier Letsoha-Mathae to intervene as school infrastructure crisis deepens in Metsimaholo

by Cllr. Stone Makhema - DA Councillor  
Metsimaholo Municipality

The Democratic Alliance (DA) in Metsimaholo Local Municipality will write to Premier McQueen Letsoha-Mathae to urgently intervene in the unacceptable state of schools. A follow-up oversight with DA NCOP MP Dr Igor Scheurkogel revealed severe delays and hazardous conditions at HM Mthombeni High School and Taaibos Primary.

At Mthombeni, twenty of twenty-eight classrooms lack electricity, the hall remains half-built, and safety risks persist. At Taaibos, the kitchen and electricity are incomplete. Despite repeated delays and blame-shifting between Education and Public Works, the DA will continue fighting for accountability to ensure safe, functional schools for learners.
