EXPANDED PUBLIC WORKS PROTEST

Workers in the waste department do their own thing. You must see how their trucks are driven — no work ethic whatsoever.

They all need to go. To the management and HR department — it seems that you guys don't know what you are doing, just taking anyone to drive the vehicles.

The waste department has been dysfunctional for years.

Yet we continue to get billed for no service delivery.

The managers need to be held accountable. Alternatively, the department must be privatised.
