

Independent Development Trust

YOUR PARTNER IN DEVELOPMENT

The IDT is inviting applications from unemployed graduates who seek to acquire meaningful work experience in the various fields as identified below and are interested in joining the Independent Development Trust as a potential employer. This is not permanent employment but an opportunity for unemployed graduates to acquire relevant experience.

The IDT is a schedule 2 public entity, established as a development management agency. Its primary role is to influence, support and add value to the national development agenda. The IDT is mandated to measurably impact on the eradication of poverty and to improve the quality life of poor, rural and marginalised communities.
