MEDIA INVITE

Public Works and Infrastructure Deputy Minister Sihle Zikalala, will on 24 October, deliver a keynote address at the Ray Nkonyeni Municipality (RNM) Investment Conference.

The conference held under the theme “driving sustainable growth through strategic investments”, aims to unlock sustainable investment opportunities within RNM and the KwaZulu Natal South Coast region.

Zikalala is expected to speak on the programmes such as the new harbour development in the South Coast and support infrastructure for the new Smart City Project under the District Development Model.

Members of the media are invited
