It gives me a great pleasure, once again to stand here and demonstrate to our communities the fruits of our integrated approach to the delivery of essential services.

The Department of Justice and Constitutional Development is one of our biggest client departments in terms of capital works that include building of new structures such as this one as well as their continued maintenance.

It is an honour to me to officially hand over the completed R 30 million Khayelitsha Magistrate Offices to the Minister of Justice and Constitutional Development, Mr Penuell Maduna.
