Unless otherwise specifically agreed in writing, remuneration for the time expended by principals in terms of (i) above on a project shall be limited to 5 per cent of the total time expended for time basis fees on the project. Any time expended by principals in excess of the 5 per cent limit shall be remunerated at the rates determined in (ii) or (iii) above.

Notwithstanding the above, where work is of such a nature that personnel as described in paragraph (iii) above are capable of performing such work, it shall be remunerated at that level and not at the rates described in paragraphs (i) and (ii) above, irrespective of who in fact executed the work.

Gross annual remuneration in (iii) above shall mean basic salary and guaranteed annual bonus; fringe benefits not included in basic salary; income benefit, as determined from time to time by the South African Revenue Services for income tax purposes, for the private use of a motor vehicle by the employer; employer's contribution to pension/provident fund, medical aid and group life assurance premiums; Compensation Fund and Unemployment Fund contributions, Metropolitan Council levies and any other statutory contributions or levies; all other costs and benefits as per conditions of appointment but excluding any share of profit and payment for overtime.

The salaries referred to in (i) to (iii) above can change from time to time, which will, therefore, change the rates applicable. The rates applicable at the time of the execution of the work as set out in Table 8 of the "Rates for Reimbursable Expenses", as adjusted from time to time, may be claimed.
