SCAM ALERT- PART 2

HIGH ALERT: SCAM TO SUPPLIERS AND SERVICE PROVIDERS OF THE DEPARTMENT OF PUBLIC WORKS AND INFRASTRUCTURE

There are many types of tender scams. Here are some of the more frequent scenarios: Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss. OR Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question. Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process. Protect yourself from being scammed,

If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.

- Compare tender details with those that appear in the Tender Bulletin, available online at www.publicworks.gov.za
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- DPWI would never contact any bidder during the evaluation process and request payment to secure a tender award.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department to ask whether this is in fact correct. Any incidents of corruption, fraud, theft and misuse of government property in the Department of Public Works and Infrastructure can be reported to:

The indices of StatsSA P0141 are available on the Website: http://www.statssa.gov.za/Publications/statsdownload.asp?PPN=P0141 The formula for calculating the adjusted hourly rate will be: $(((CPI_n - CPI_s) / CPI_s) \times \text{original hourly rate}) + \text{original hourly rate}$

1. PURPOSE

- 1.1 The Department of Public Works and Infrastructure, Kimberley Regional Office, has resolved to appoint duly admitted Conveyancers to undertake the registration and transfer of land parcels, ratification of ownership on Title Deeds, and other related conveyancing matters to ensure a complete, accurate, and compliant Immovable Asset Register.

2. BACKGROUND

- 2.1. In terms of various Land Administration legislation, including the Government Immovable Asset Management Act (GIAMA), 2007 and the Public Finance Management Act (PFMA), 1999, the State is required to maintain an immovable asset register that accurately record the respective property portfolios of all State land.
- 2.2 In order to expedite the appointment of duly admitted Conveyancers, it was resolved that the Panel of Conveyancers shall perform their functions under the supervision of the Department or a person duly delegated by the Department.
- 2.3. There are land parcels that were acquired, expropriated, and transferred prior to 27 April 1994 which are incorrectly vested in the name of the Republic of South Africa. The ownership reflected upon transfer should instead be recorded as the National Government of the Republic of South Africa.
- 2.4. In cases where properties were erroneously registered in the name of the Republic of South Africa (RSA), an application with a signed preparation clause in terms of section 3(1)(v), as prescribed in Chief Registrar Circular No. 4 of 2017, must be prepared by a Conveyancer. Furthermore, certificates in terms of Item 28(1) of Schedule 6 of the Constitution of the Republic of South Africa, 1996, for endorsement of Title Deeds containing both registered and unregistered land parcels, must be compiled by a Conveyancer in conjunction with Chief Registrar Circular No. 12 of 2016.
- 2.5. Prior to 27 April 1994, State immovable properties were registered in the names of various authorities and entities, including the Union of South Africa, the Republic of South Africa, the TBVC states, Provincial Administrations, the South African Development Trust, the Community Development Board, Education Trustees, Hospital Trustees, as well as office-bearers such as the Governor-General, State President, Minister of Lands, and the Administrator of Transvaal..
- 2.6. Item 28(1) of Schedule 6 to the Constitution prescribes the registration of State-owned immovable properties between the National Government and Provincial Governments, based on the designated functions of such governments and the legislation administered by the respective spheres of government. This provision was previously contained in section 239 of the Interim Constitution (Act 200 of 1993).

3. PROBLEM STATEMENT

- 3.1 Unregistered State-owned land parcels have been identified as one of the key root causes contributing to the increase in municipal debt incurred by the National Government.
- 3.2 The vesting process aimed at regularising ownership of State land by the National Government, in terms of Item 28(1) of Schedule 6 to the Constitution, has been progressing at a slow pace, thereby delaying the confirmation of the rightful ownership.
- 3.3 All unregistered State-owned land parcels should be registered to reflect ownership as the National Government of the Republic of South Africa.

4. SKILLS KNOWLEDGE, QUALIFICATION AND EXPERIENCE

- 4.1 Bidders must have a minimum 4-5 years LLB or B-Proc qualification.
- 4.2 Bidders must be admitted as Conveyancer/s with at least five (5) years of post-admission experience.

- 6.3 No Request for Quotations (RFQ's) will be advertised on the website, E-tender Portal or any media.
- 6.4 Only service providers which are registered on the panel will be utilised during the effective period of the panel unless an open tender process is utilised.
- 6.5 At least three (3) written quotations must be obtained from service providers registered on the Panel. The contract will be awarded based on the principles of price and preference.
- 6.6 After a service provider has been selected to quote, it will be moved below the service providers who have not yet been approached.
- 6.7 Once a service provider was successfully awarded a quotation/ contract from this process, the relevant service provider will not be re-selected to quote unless.
