9. CONDITION OF THE PREMISES AT THE COMMENCEMENT DATE AND AT THE TERMINATION DATE:

- 9.1. Schedule 2 contains details of the installations required by the Lessee, the party responsible for effecting those installations and the party who bears the costs in respect thereof. - fixtures may be removed by the Lessee on condition that the premises are restored to the condition in which they were before the installation of the fixtures, fair wear and tear excepted; or
- the Lessor may demand that fixtures which have not been thus removed, shall be removed by the Lessee, in which event the same requirements regarding the restoration of the premises shall apply.

11. EXPENSES, MAINTENANCE AND REPAIRS:

11.1. For the purpose of the interpretation of this clause and of the lease, the parties agree that the words in the heading bear meanings assigned to them hereunder:

11.4. In the event of the premises being a portion of a building and it consequently being necessary to determine the Lessee's pro rata share in respect of maintenance or consumption of necessary services, the pro rata share of the Lessee, for the purpose of this agreement, shall be determined by calculating the area of the premises as a fraction of the total area of the building. For the purpose of such calculation areas shall be determined from time to time by the Sapoa-method for the calculation of rentable areas. Where the pro rata share or portion thereof is payable to the Lessor, the Lessee shall pay on receipt of a properly substantiated account. The parties agree that the Lessee's pro rata share (as contemplated in this clause) is the percentage as indicated in Schedule 1

- 12.2. Should the Lessee do or cause to be done anything that causes an increase in the premiums of such policy, the Lessee will be liable for the increase in the premiums occasioned by the actions of the Lessee. The Lessor shall furnish to the Lessee proof from the insurer.
- 12.3. The Lessor shall not be liable for any damage which the Lessee may suffer as a consequence of rain, wind, hail, lightning, fire, earthquake, storm, riots, strikes, actions by enemies of the State or in consequence of the interruption of any facility or service supplies to the premises by third parties, unless such damage is caused by the intent or negligence of the Lessor, his employees or agents.

- 19.2. The failure of either party to comply with any non-material provision of this lease shall not excuse the other party from performing that party's obligations hereunder fully and timeously.

20. SALE OF PREMISES:

- 20.1. Transfer of the premises from the Lessor pursuant to a sale thereof shall not in any way affect the validity of this lease. It shall accordingly, upon registration of transfer of the premises into the name of the purchaser, remain of full force and effect save that the purchaser shall be substituted as Lessor and acquire all rights and be liable to fulfil all the obligations which the Lessor, as Lessor, enjoyed against or was liable to fulfil in favour of the Lessee in terms of the lease.

PA- 29: CERTIFICATION OF INDEPENDENT BID DETERMINATION

Project title:	Durban Regional Office: Department of Labour: Procurement Of Office Accommodation (existing building) at a Total Lettable Area for Lease Purpose Of 100 m ² with 1 Parking Bay for a Period Of 9 Years 11 months.		
Bid no:	DBN22/01/01	Reference no:	24/2/1/2/12/6321/90

INTRODUCTION

1. This PA-29 [Certificate of Independent Bid Determination] must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This form (PA-29) serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (PA-29) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

Certification of Independent Bid Determination: PA-29

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
