Version: 1.3

11.3. Responsibilities of the Lessee: -

- domestic cleaning of the interior of the premises
- the domestic services such as the provision of toilet paper, soap, towels, etc.;
- the costs of water and electricity consumption to the extent that these are separately metered;
- the costs of refuse removal and sanitary services;
- 11.4. In the event of the premises being a portion of a building and it consequently being necessary to determine the Lessee's pro rata share in respect of maintenance or consumption of necessary services, the pro rata share of the Lessee, for the purpose of this agreement, shall be determined by calculating the area of the premises as a fraction of the total area of the building. For the purpose of such calculation areas shall be determined from time to time by the Sapoa-method for the calculation of rentable areas. Where the pro rata share or portion thereof is payable to the Lessor, the Lessee shall pay on receipt of a properly substantiated account. The parties agree that the Lessee's pro rata share (as contemplated in this clause) is the percentage as indicated in Schedule 1
- 11.5. Should the Lessor fail to pay expenses or to undertake repairs the Lessee may remind the Lessor in writing, and should the Lessor still be in default thirty days after receipt of such reminder (or such longer period which the parties may have agreed upon) the Lessee shall be entitled to demand specific performance or to pay such expenses or to undertake such repairs and to recover the amounts thus disbursed from the rental due to the Lessor by set off or by legal action. A certificate by the Lessee of such expenses shall be prima facie proof thereof.

12. LIMITATION OF THE LIABILITY OF THE LESSOR:

- 12.1. The Lessor shall insure the building and shall maintain such insurance throughout the currency of the lease and any extension thereof. The Lessee may not after the commencement of the lease do, or allow anything that is contrary to the provisions, which will cause an increase in the premiums of any insurance policy held by the Lessor over the property.
- 12.2. Should the Lessee do or cause to be done anything that causes an increase in the premiums of such policy, the Lessee will be liable for the increase in the premiums occasioned by the actions of the Lessee. The Lessor shall furnish to the Lessee proof from the insurer.
- 12.3. The Lessor shall not be liable for any damage which the Lessee may suffer as a consequence of rain, wind, hail, lightning, fire, earthquake, storm, riots, strikes, actions by enemies of the State or in consequence of the interruption of any facility or service supplies to the premises by third parties, unless such damage is caused by the intent or negligence of the Lessor, his employees or agents.
- 12.4. The Lessor shall not be liable for any accident, injury or damage incurred by the Lessee, his employees, agents or visitors, in or near the premises, unless it is the result of intent or negligence on the part of the Lessor, his employees or agents.

13. FIRE FIGHTING EQUIPMENT AND LIFTS:

- 13.1. The Lessor shall be obliged to install, maintain and operate on the premises fire extinguishing and fire detection equipment complying with the National Building Regulations and Building Standards Act (Act 103 of 1977) as amended, and /or other applicable legislation.
- 13.2. The Lessor shall be obliged to maintain the lifts and ensure that regular checks are done in accordance with the Occupational Health and Safety Act (Act 85 of 1993) as amended and /or any other applicable legislation.

Should the parties continue with the agreement, the Lessee shall be entitled to a reduction in rental to the extent to which the Lessee is deprived of the full use of the premises

15. BREACH:

- 15.1. In the event of either one of the parties committing a material breach of any of the terms of this agreement, and failing to remedy such material breach within a period of thirty (30) days, after receipt of a written notice from the other party calling upon the defaulting party to remedy the material breach complained of, then: -
 - 15.1.1. the aggrieved party will be entitled, at his sole discretion, and without prejudice to any of his rights in law and/or in terms of this agreement, either to:
 - (a) claim specific performance and/or
 - (b) cancel the agreement and/or

 - 18.1.2. sublet the premises in whole or in part; or

19.2. The failure of either party to comply with any non-material provision of this lease shall not excuse the other party from performing that party's obligations hereunder fully and timeously.

20. SALE OF PREMISES:

- 20.1. Transfer of the premises from the Lessor pursuant to a sale thereof shall not in any way affect the validity of this lease. It shall accordingly, upon registration of transfer of the premises into the name of the purchaser, remain of full force and effect save that the purchaser shall be substituted as Lessor and acquire all rights and be liable to fulfil all the obligations which the Lessor, as Lessor, enjoyed against or was liable to fulfil in favour of the Lessee in terms of the lease.
- 20.2. Nothing shall prevent the Lessor from advertising the premises as "for sale" or as "to let" as long as it does not disturb the Lessee in its use and enjoyment of the premises.

- 23.1. This is the entire agreement between the parties.
- 23.2. Neither party relies, in entering into this agreement, on any warranties, representations, disclosures or expressions of opinion, which have not been incorporated into this agreement as warranties or undertakings.

PA- 29: CERTIFICATION OF INDEPENDENT BID DETERMINATION

Project title:	Piet Retief: Acquisi Development and L period of 5 years.	tion of office accommodatio and Reform, measuring 110	n for the Department of Rural 0m2 and 30 parking bays for a
Bid no:	NST 21/002	Reference no:	NST 21/002

INTRODUCTION

- This PA-29 [Certificate of Independent Bid Determination] must form part of all bids¹ invited.
- 2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a pe se prohibition meaning that it cannot be justified under any grounds.
- 3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4. This form (PA-29) serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5. In order to give effect to the above, the attached Certificate of Bid Determination (PA-29) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
