Wording:

Built Environment Student Chapter roll-up banner 1

Built Environment Student Chapter

"A Gateway to Students Professional Development in the Built Environment"

Benefits of the chapter for students:
- University on-boarding and readiness programme for school leavers and first year tertiary students.

- Awareness information on the BE Sector, latest trends across the Sector, locally and internationally.

- Students / Learner study support tools, i.e. research articles, presentation – MS PowerPoint and audio materials, Wikipedia, student blogs, etc.
- Opportunities to interface studies and the world of work – vacation work, internship and candidacy opportunities, cross-cutting career fields.

- Linkages to Sector for students' research opportunity as well as publication of concluded research articles

- Accessibility to BE mentors

- Members' success story portal – share academy excellence as a measure to raise awareness of the importance of academic achievement and professional commitment.

- High achievers will receive excellence awards with some incentive from the Chapter.

- Receive a quarterly Chapter Newsletter publishing - career news, the latest career and industry news, all about BE people and events.

*Please add Built Environment Pictures
