D1. MAINTENANCE OF SHRUBS, TREES PERENNIAL BEDDING PLANTS AND OTHER LANDSCAPING PLANTS

2.1. MAINTENANCE OF BEDS AND THE MECHANICAL CONTROL OF WEEDS

All beds with plants and empty beds must be weeds free. Only mechanical control methods will be suitable control practice to eradicate weeds between bedding plants, trees, shrubs and other plants. The soil must be loosened to ensure better aeration and infiltration.

Empty beds shall be kept clean as well. All the papers, tins, plastics and other waste in the garden shall be kept under control on an ongoing basis. All the plants are to be kept in a neat and tidy condition at all times. No herbicides shall be applied as a means of controlling weeds in between plants.

2.2. **PRUNING OF PLANTS**

All pruning shall be done according to the seasons and plant species. Healthy plants are not to be cut, only on the instructions and in agreement with the site Manager. All equipment to be used has to be to be free of pathogens. All the overgrown bushes of vegetation shall be pruned. This includes shrubs, perennial bedding plants and all overgrown plants. All the cut braches shall be removed from site after each operation. Any broken or dead branches of any type of plant shall be cut and removed from site as soon it is noticed. Sharp secateurs or pruning knife shall be used. Contractor shall liaise with a site Manager before pruning.

2.2.1 Pruning of perennial bedding plants and shrubs

Bushes of perennial bedding plants and shrubs with vigorous growth shall be pruned to maintain good shape. This shall be carried out every three months.

2.2.2 Pruning of trees and palms

All the trees in the garden shall be maintained and the contractor shall keep trees to be in good quality. The following shall constitute good quality tree:

TENDER:

- Trees shall have main single stem growing from the soil
- > Depending on the size of the tree, the first 25-40% of the tree size shall be free of lateral branches growing.
- > No multi branches arising from the soil shall be accepted, this shall be pruned as soon as they emerge.

2.3 IRRIGATION

2.3.1 Bedding plants and shrubs

All plants are to be irrigated thoroughly at least **three times a week** from **September-April** and **two times a week** from **May-August**. No under or over watered beds will be accepted. In the event of heavy rainfall it will not be a necessity to water the plants since this may result in over watering and finally create problems like fungus diseases.

2.3.2 Trees

All trees and palms where present, shall be irrigated thoroughly two-three times weekly at regular intervals.

2.4 PEST & DISEASE CONTROL ON PLANTS

Insect pests/ diseases shall be controlled on plants as soon as they are noticed. Contractor shall be responsible to inspect all the plants regularly for any signs of problem pest/disease.

Should a contractor notice any type of pest/disease in the plants, they shall communicate with the site Manager and therefore agreement shall be made to control pests and suitable method of pest control shall be agreed on. Treatment of pests like; moles, harvester locusts and diseases like rust, e.t.c.

NB!

Chemical control of pest shall only be carried out by the contractor with a wide range of experience in the use of pesticides. Should the site Manager not approve the use of pesticide by the contractor, then the contractor shall appoint a registered pest control officer in terms of fertilizer, farm feeds, Agricultural remedies and stock remedies Act no 36 of 1947 to do pest control. A contractor shall be responsible to pay a pest control contractor.

2.5 TRANSPLANTING OF BEDDING PLANTS AND SMALL SHRUBS

Some plants might require transplanting during the contract period. This shall be done only with the instruction of the Site Manager. This shall form part of the contract agreement and the quoted labour price. This shall not include any new plants to be purchased. Only plants removed from the similar premises for reasons like overgrowth shall form part of this agreement. This includes small plants like groundcovers, perennial bedding plants and small shrubs.

2.6 FERTILIZER APPLICATION ON PLANTS

Granular slow release fertilizer 2:1:2 / organic fertilizers shall be applied on plants at the rate of 50g per m². Fertilizer application shall be **every three (3) months**. Fertilizers shall be applied four ()4) times during the contract period. Contractors are to ensure that plants are thoroughly watered after application of fertilizer.

D3. MAINTENANCE OF LAWNS AND GRASS

3.1 MOWING OF LAWNS

All stones, paper and foreign objects shall be removed from the lawns before the start of the mowing operation. Lawn shall be kept short and shall be cut regularly, Grass clippings shall be removed from mowed surface and be dumped to dumping site. Rubbish bin on site shall not be used to dump

garden refuse generated.

Lawn shall be cut to maximum height of 10-20mm. The blades shall be sharp enough to ensure professional cut. Ridges, uneven surfaces, lines on lawn, left clippings of lawns shall not be accepted on turf lawn.

3.1.1 Mowing frequency

From the 1st September to 30th April: Lawn and grass shall be mowed twice month. From the 1st May to 31st August: Lawn shall be mowed once monthly. The maximum number of times that Lawn/grass shall be mowed during the period of twenty four (24) months is sixty six (66) times. A generally acceptable norm for the length of lawn is 10-20 mm. The lawn shall be cut with a lawn-mower equipped with a rotary cutter and grass box. Care shall be taken that the blades of the machine are kept sharp to ensure a professional cut.

3.1.2 Areas regarded as lawn

The contractor is expected to be familiar in terms of distinguishing lawn from grass. Where a misunderstanding arises, the Service Manager shall point out areas that are regarded as lawn as distinguished from the grass.

3.1.3 Time frame for lawn mowing

The lawn shall be cut at regular intervals. Lawn shall be cut and removed within three days after beginning of the operation as per the programme of cutting. During this time all the lawn, edges, shall be neat and this shall be regarded as one cut. This item is also applicable for the maintenance (cutting) of grass.

3.2 TRIMMING OF LAWN EDGES

Trimming of lawn shall be done at the same time with cutting of lawn. The equipment used to trim the lawn edges shall be limited to equipment ensuring even, neat, vertical edges. A line shall be used for the edging of all straight sections. Lawn edges shall be neatly trimmed every time lawns are mowed and shall have a neat appearance at all times

Contractors are to ensure that the spaces alongside existing beds, sidewalks or roads, are not widened accidentally. The mowed grassed area shall be maintained to the satisfaction of the site Manager.

3.3 IRRIGATION OF LAWNS

To ensure a good, healthy lawn, irrigation shall be done **two times** weekly at regular intervals, in addition to natural rainfall. Care shall be taken that the moisture content of the soil is such that the lawns remain above wilting point. Garden hoses shall be used for irrigation. No watering will be necessary especially after heavy rain.

3.4 FIILLING UP OF LAWN PATCHES/DAMAGED LAWN

All the small spots of lawn damaged shall be filled with the same type and quality of lawn. Stolons or grass seeds can be used to achieve the required results. All the bare spaces shall be filled as soon as they are observed. This refers to small patches of less than 50cm².

3.5 BROAD LEAVES WEEDS CONTROL IN TURF LAWN

A selective herbicide shall be used to control dicotyledonous (broad leaved) weeds. A combination of mechanical and chemical control methods will achieve good results. The combination practice of weeds control shall be done **once every month**.

3.6 FERTILIZER APPLICATION ON LAWNS

Granular slow release fertilizer 2:1:2 / organic fertilizers shall be applied on lawn at the rate of 50g per m². Fertilizer application shall be **every three (3) months**. Fertilizers shall be applied eight (8) times during the contract period. Contractor to ensure that lawn is watered thoroughly prior and after application of fertilizer.

3.8 CUTTING OF FIELD GRASS

Grass shall be cut and the grass clippings shall be removed. Grass shall be cut to maximum height of 30mm. Sharp blades shall be used at all times to cut the grass. Lines of thick grass clippings shall be removed from site for fire safety reasons. From the 1st September to 30th April: Grass shall be cut twice monthly. From the 1st May to 31st August: Grass shall be cut once monthly. The maximum number of times that grass shall be cut during the period of twenty four (24) months is sixty six (66) times.

3.8.1 Areas regarded as Field grass.

The contractor is expected to be familiar in terms of distinguishing lawn from field grass. Where a misunderstanding arises, the Service Manager shall point out areas that are regarded as lawn as distinguished from the grass. Grass shall **not** be fertilised.

D4. MAINTENANCE OF HARD SURFACES AND OPEN SPACE

Hard surfaces shall be cleaned (swept). All the leaves, branches of vegetation, grass clippings and debris on the surface shall be raked/ swept and removed. Weeds on the surface shall be controlled by either chemical or mechanical methods. The use of herbicide to achieve the required results shall only be approved by the Service Manager. For a contractor to use herbicides, they shall be interviewed and must show that they have experience and large scale exposure in the use of herbicides.

Should a Project Manager be of the opinion that a contractor is not allowed to use herbicides and disapprove the use of herbicides, then mechanical control practice shall be applied or a contractor will have to appoint a registered pest control officer in terms of fertilizer, farm feeds, Agricultural remedies and stock remedies Act no 36 of 1947 to do pest control. A contractor shall be responsible to pay a pest control contractor.

The service provider shall include in the transport costs; refuse removal to and fro the municipal site, travel to and from the service site, transportation of labour personnel, materials and provision for meetings with the service manager. The quoted transport costs must cover the duration of the contract.

E. HEALTH AND SAFETY SPECIFICATION: INHOUSE CONTRACTS

1. BACKGROUND AND INTRODUCTION

The Construction Regulations were promulgated in July 2003, and form part of the Occupational Health and Safety Act (Act 85 of 1993).

The Construction Regulations (July 2004) require the client to prepare a health and safety specification for the construction work (inclusive of garden services), and give it to the Principal Contractor who has made a bid to perform construction work for the client. The Principal Contractor is then required to compile a health and safety plan based on the client's health and safety specification.

2. PURPOSE OF THE HEALTH AND SAFETY SPECIFICATION

The primary purpose of the Health and Safety specification is to ensure that injuries and incidents are minimised during construction, and also to enhance compliance with the Act and its Regulations. The second purpose of the Health and Safety specification is to assist the Principal Contractor to determine during the tender stage, exactly where he should make an allowance in his rates for the compliance with the Act.

3. DEFINITIONS AND APPLICABLE LEGISLATION

The Occupational Health and Safety Act (Act 85 of 1993) and its Regulations and the Compensation for Occupational Injuries and Diseases Act (Act 130 of 1993) are applicable to this project. All the definitions stated on these legislations are applicable to this document.

4. SCOPE OF APPLICATION

This health and safety specification shall be applicable to all in-house projects where the services of the Client's Agent have not been utilized.

5. PRICING FOR PRODUCING AND IMPLEMENTING THE HEALTH AND SAFETY PLAN DURING CONSTRUCTION

The Principal Contractor shall assess the safety measures of the health and safety specification that it will be required to meet during the contract period, and make allowance in the rates for implementation of all the safety measures on the project.

6. APPOINTMENT OF COMPETENT PERSONS

All the applicable competent persons (supervisors) shall be appointed in writing for all the particular activities that are applicable to the project.

7. RISK ASSESSMENT

The competent person appointed for this task by the Principal Contractor shall perform a risk assessment before the beginning and during the construction work (inclusive of garden services). The risk assessment shall include but not limited to:

- a) The identification of the risks and hazards to which persons may be exposed.
- b) The analysis and evaluation of the risks and hazards identified.
- c) A documented plan of safe work procedures to mitigate, reduce or control the risks and hazards that have been identified.
- d) A monitoring plan
- e) A review plan

The copy of the risk assessment shall be kept in a safety file on site, and shall be made available on site for inspection by the inspector, client's representatives, contractor and employees or employee representatives.

8. COMPENSATION FOR OCCUPATIONAL INJURIES AND DISEASES ACT (ACT 130 OF 1993)

The Principal Cont shall furnish the Client with a copy of a proof that it is registered and in good standing with the compensation fund or with a licensed compensation insurer before construction work (inclusive of garden services) commences on site.

9. SAFETY STRUCTURES ON A CONSTRUCTION SITE

a) Formation of Health and Safety Committee/s

The Principal Contractor shall form a Health and Safety Committee if it has employed more than 40 employees, and shall hold regular safety meetings. The Principal Contractor shall appoint a Safety Representative for every 20 employees on its employ.

b) Appointment of a qualified first aider

The Principal Contractor shall have a fully equipped first aid kit on site if it has more than 5 employees on site. If it has employed more than 10 employees on site, it should appoint a qualified first aider.

c) Recording and reporting of incidents on site

All incidents shall be reported in terms of Section 24 of the Act and the General Administrative Regulations. Moreover, the Principal Contractor shall report any incident that occurs on site to the responsible Project Manager of the client.

10. COPY OF THE ACT ON SITE

The Principal Contractor shall ensure that a copy of the Occupational Health and Safety Act (Act 85 of 1993) and the relevant Safety Regulations are kept in the safety file on site.

11. INDUCTION TRAINING AND TOOLBOX TALKS

The Principal Contractor shall carry out weekly toolbox talks/ info sessions with all of its employees, discussing the ways of mitigating the risks attached to the work they perform.

The Principal Contractor shall ensure that all its employees are given induction training prior to any task of work being carried out. The proof of such training and toolbox talks shall be kept on a register with all signatures of those employees who attended. The Principal Contractor shall provide the venue for the inductions or any training.

12. USE AND CONTROL OF PERSONAL PROTECTIVE CLOTHING AND EQUIPMENT ON SITE

The Principal Contractor shall ensure that it provides appropriate and sufficient personal protective equipment and clothing to its employees on site. The Principal Contractor shall ensure that employees use the personal protective clothing and equipment at all times during the construction

period. The type of personal protective clothing and equipment will be based on the hazards identified during the risks assessment. Safety clothing and equipment that may be necessary on certain sites can be goggles, visors, protective overalls, aprons, hard hats, safety boots, belts, harness, ear muffs, gloves, jackets etc.

13. WELFARE FACILITIES

The Client shall ensure that its employees have access to proper sanitary facilities, changing facilities for each sex, shelter for eating. The Facilities Regulations are applicable to this project.

14. PHYSICAL SITE REQUIREMENTS

The Principal Contractor shall adhere to the requirements laid under those items that will be applicable during construction.

a) Ladders

The following conditions of ladders shall not be permitted on the construction site:

- Use of ladders that have rungs fastened to the stiles only by means of nails, screws or spikes or in a like manner.
- Use of ladders that have damaged stiles or damaged or missing rugs.
- A ladder which is required to be leaned against an object for support before it is used, which is longer than 9m.
- Wooden ladders shall not be painted unless it has been established that there are no cracks or other inherent weaknesses on them.

(b) Housekeeping on Construction sites

The Principal Contractor shall ensure that it adheres to the following minimum housekeeping requirements during the construction period.

- Ensure that suitable housekeeping is being implemented continuously on site, providing for proper storage of materials and equipment and the removal of scrap and waste.
- Take steps to ensure that loose material is not allowed to accumulate so as to obstruct means of access to and egress from the workplace.
- Indicating the position of the first aid kit
- Indicating the position of the fire fighting equipment(where applicable)
- 'No Smoking signs' (where applicable)

15. CONCLUSION

The Principal Contractor is required to comply with all the requirements of this specification. Should it be discovered during the construction stage that the contractor does not comply, the client or the client's representative may stop the site operations until the deviation has been rectified. This specification is done in accordance with the South African Legislations and is therefore binding. Where there is contradiction between the OHS Act or its Regulations and this specification, the OHS Act or its Regulations will take precedence.

F. SCHEDULE OF QUANTITIES AND PRICES

INTRODUCTION

All items must be priced

A tariff must be inserted next to every item. Un-priced items will be taken as though the price has been worked in with another item. Tariffs must include all costs and adhere to the specifications. Tariffs shall include all the cost of labour, materials, tools to use, administrative costs, transport, **profit** and all other costs to render garden service for the duration of the contract.

Payments are calculated and paid according to quoted price.

Tariffs that are filled in, in this document, must be the tariffs per contract specifications. The monthly payment shall be calculated by the department by dividing the contract amount by the duration of contract.

General Conditions of Contract

1. Definitions

- 1. The following terms shall be interpreted as indicated:
- 1.1. "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.
- 1.2. "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- 1.3. **"Contract price"** means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
- 1.4. **"Corrupt practice"** means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
- 1.5. **"Countervailing duties"** are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
- 1.6. "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 1.7. "Day" means calendar day.
- 1.8. "Delivery" means delivery in compliance of the conditions of the contract or order.
- 1.9. "Delivery ex stock" means immediate delivery directly from stock actually on hand.
- 1.10. "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
- 1.11. "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
- 1.12. "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13. "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14. "GCC" means the General Conditions of Contract.
- 1.15. "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.

PA-10: General Conditions of Contract (GCC)

- 1.16. "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17. "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18. "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19. "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20. "Project site" where applicable, means the place indicated in bidding documents.
- "Purchaser" means the organization purchasing the goods.
- 1.22. "Republic" means the Republic of South Africa.
- 1.23. "SCC" means the Special Conditions of Contract.
- 1.24. "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25. "Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1. These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2. Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3. Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1. Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2. With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4. Standards

4.1. The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information; inspection.

5.1. The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be

made in confidence and shall extend only so far as may be necessary for purposes of such performance.

- 5.2. The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3. Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.
- 5.4. The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

6.1. The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

7. Performance security

- 7.1. Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2. The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3. The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
 - (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - (b) a cashier's or certified cheque
- 7.4. The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1. All pre-bidding testing will be for the account of the bidder.
- 8.2. If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3. If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4. If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5. Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

- 8.6. Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7. Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at the contract. Failing such removal the rejected supplies which do comply with the requirements of risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.
- 8.8. The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1. The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2. The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

- 10.1. Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2. Documents to be submitted by the supplier are specified in SCC.

11. Insurance

11.1. The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

12.1. Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

- 13.1. The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
 - (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
 - (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and

- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
- Prices charged by the supplier for incidental services, if not included in the contract price for the 13.2. goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

- As specified in SCC, the supplier may be required to provide any or all of the following materials, 14.1. notifications, and information pertaining to spare parts manufactured or distributed by the supplier:
 - (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and

(b) in the event of termination of production of the spare parts:

- Advance notification to the purchaser of the pending termination, in sufficient time to (i) permit the purchaser to procure needed requirements; and
- following such termination, furnishing at no cost to the purchaser, the blueprints, (ii) drawings, and specifications of the spare parts, if requested.

15. Warranty

- The supplier warrants that the goods supplied under the contract are new, unused, of the most 15.1. recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
- This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the 15.2. case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.
- The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty. 15.3.
- Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all 15.4. reasonable speed, repair or replace the defective goods or parts thereof, without costs to the
- 15.5. If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- The method and conditions of payment to be made to the supplier under this contract shall be 16.1. specified in SCC.
- The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note 16.2. and upon fulfilment of other obligations stipulated in the contract.
- Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after 16.3. submission of an invoice or claim by the supplier.
- 16.4. Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices

PA-10: General Conditions of Contract (GCC)

17.1. Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

18. Contract amendments

18.1. No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

19. Assignment

19.1. The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts

20.1. The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance

- 21.1. Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2. If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3. No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4. The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 21.5. Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
- 21.6. Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such entitled to claim damages from the supplier.

22. Penalties

22.1. Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1. The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, 23.2. upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
- Where the purchaser terminates the contract in whole or in part, the purchaser may decide to 23.3 impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period of not exceeding 10 years.
- If a purchaser intends imposing a restriction on a supplier or any person with the supplier, the 23.4 supplier will be allowed a time period of not more than fourteen (14) days to provide why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.
- Any restriction on any person by the Accounting Officer/ Authority will, at the discretion of the 23.5 Accounting Officer/ Authority, also be applicable to any enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which the first-mentioned person, is or was in the opinion of the Accounting Officer/ Authority actively associated.
- If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish 23.6 The National Treasury, with the following information:
 - The name and address of the supplier and/or person restricted by the purchaser;
 - The date of commencement of the restriction ii)
 - iii) The period of the restriction; and
 - iv) The reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

If a count of law convicts a person of an offence as contemplated in sections 12 or 13 of the 23.7 Prevention and Combating of Corrupt Activities Act No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the pubic sector for a period not less than five years and not more than ten years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24. Anti-dumping and countervailing duties and rights

When, after the date of bid, provisional payments are required, or antidumping or countervailing 24.1. duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

25. Force Majeure

- 25.1. Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his event of force majeure.
- 25.2. If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

26.1. The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

- 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in Connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4 Mediation proceedings shall be conducted in accordance with the rules of the procedure specified in the SCC.
- 27.5 Notwithstanding any reference to mediation and/or court proceedings herein,
 - (a) the parties shall continue to perform their respective obligations under contract unless they Otherwise agree; and
 - (b) the purchaser shall pay the supplier any monies due the supplier.

28. Limitation of Liability

- 28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;
 - (a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss 12 or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
 - (b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

PA-10: General Conditions of Contract (GCC)

29. Governing language

29.1. The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

30. Applicable law

30.1. The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.

31. Notices

- 31.1. Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
- 31.2. The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

32. Taxes and duties

- 32.1. A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.
- 32.2. A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
- 32.3. No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African

PA- 29: CERTIFICATION OF INDEPENDENT BID DETERMINATION

Project title:	PROVISION OF 24 MONTHS MAGISTRATE COURT.	GARDEN SERVICE CONT	RACT FOR NGCOBO
Bid no:		eference no:	

INTRODUCTION

- This PA-29 [Certificate of Independent Bid Determination] must form part of all bids¹ invited.
- 2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a pe se prohibition meaning that it cannot be justified under any grounds.
- 3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4. This form (PA-29) serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5. In order to give effect to the above, the attached Certificate of Bid Determination (PA-29) must be completed and submitted with the bid:

Any reference to words "Bid" or Bidder" herein and/or in any other documentation shall be construed to have the same meaning as the words "Tender" or "Tenderer".

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

PA-36: DECLARATION CERTIFICATE FOR LOCAL PRODUCTION AND CONTENT FOR DESIGNATED SECTORS

This Standard Bidding Document (SBD) must form part of all bids invited. It contains general information and serves as a declaration form for local content (local production and local content are used interchangeably).

Before completing this declaration, bidders must study the General Conditions, Definitions, Directives applicable in respect of Local Content as prescribed in the Preferential Procurement Regulations, 2017,the South African Bureau of Standards (SABS) approved technical specification number SATS 1286:2011 (Edition 1) and the Guidance on the Calculation of Local Content together with the Local Content Declaration Templates [Annex C (Local Content Declaration: Summary Schedule), D (Imported Content Declaration: Supporting Schedule to Annex C) and E (Local Content Declaration: Supporting Schedule to Annex C)].

1. General Conditions

- 1.1. Preferential Procurement Regulations, 2017 (Regulation 8) make provision for the promotion of local production and content.
- 1.2. Regulation 8.(2) prescribes that in the case of designated sectors, organs of state must advertise such tenders with the specific bidding condition that only locally produced or manufactured goods, with a stipulated minimum threshold for local production and content will be considered.
- 1.3. Where necessary, for tenders referred to in paragraph 1.2 above, a two stage bidding process may be followed, where the first stage involves a minimum threshold for local production and content and the second stage price and B-BBEE.
- 1.4. A person awarded a contract in relation to a designated sector, may not sub-contract in such a manner that the local production and content of the overall value of the contract is reduced to below the stipulated minimum threshold.
- 1.5. The local content (LC) expressed as a percentage of the bid price must be calculated in accordance with the SABS approved technical specification number SATS 1286: 2011 as follows:

$$LC = [1 - x / y] * 100$$

Where

x is the imported content in Rand

y is the bid price in Rand excluding value added tax (VAT)

Prices referred to in the determination of x must be converted to Rand (ZAR) by using the exchange rate published by South African Reserve Bank (SARB) at 12:00 on the date of advertisement of the bid as indicated in paragraph 4.1 below.

The SABS approved technical specification number SATS 1286:2011 is accessible on http://www.thedti.gov.za/industrial development/ip.jsp at no cost.

Any reference to words "Bid" or Bidder" herein and/or in any other documentation shall be construed to have the same meaning as the words "Tender" or "Tenderer". Page 1 of 4
