DEPARTMENT OF NATIONAL PROSECUTING AUTHORITY (PMB)

Pietermaritz Street

Description: Repair and Service of 13 Gas Suppression Panel System Control and 34 X 300 Bar Gas Cylinders (Gases are Nitrogen, Argon) for Fire Protection.

A) CONDITIONS OF TENDER

Contractor must introduce themselves and inform what they will be doing to the relevant official at the institution before any assumption of work: [Contact official at institution]: MR KABEER MAHARAJ - Tel no. 033 392 8770 or 072 283 8625

Due to the Urgent nature of the works, the successful tenderer undertakes to commence the work immediately from the receipt of an official order number and proceed with due diligence to its final completion in all respects

At the completion of the works the Contractor is to submit the attached completion certificate that must be sent immediately to the Department of Public Works for final inspection of the works

All supporting suppliers' material and service invoices must be provided together with all payment invoice claims

Contractor to note that all quantities are re-measurable

All prices quoted must be inclusive of labour, material and transport

Contractor is to supply project plan and work schedule at the commencement of works

The contractor must establish and maintain telephone, fax and cellular connection

The Contractor must comply with all Occupational Health and Safety regulations and instructions

Job cards must be detailed, stamped and signed by the Client Department and accompany all invoices claimed

Contractor must provide proof of relevant required registration and all compliant certification

The contract period is **(1) Month** from the date the official order.

The bill of quantities must be completed by the contractor and the final amount clearly indicated. Failure to do so will result in the quotation being invalid

All repair work shall be executed using approved materials and equipment suitable to the systems they serve and in accordance to the relevant codes of practice, standards, regulations, manufacturer's specifications, municipal laws and by-laws.

All new equipment, materials and systems shall be furnished with a guarantee or a defects liability period of 6 months commencing from the completion of the works (All replaced part/serial numbers must clearly indicated in the invoice)

The guarantee shall cover the performance of the works and any defects due to inferior materials or workmanship, fair wear and tear accepted and the contractor shall repair such defects without delay at his own cost

"Contractor must inspect the site ascertain the work that is required and get the bill of quantities stamped & signed by person as listed as 'contact person. Failure to provide this will render the quote unacceptable"

Prior to visiting site when quoting contractor/tenderer to contact the on-site contact person and make timeous arrangements to inspect site.

Contractor/tenderer to note that all:

A) Necessary PPE for the complete works is to be included in rates

B) Fire register must be updated or provided new one and copy of the entry submitted to Works Manager.

C) Contractor/tenderer to note that a "Safety Plan" to be provided to the relevant works manager & clients OSH officer prior to commencement of any work.

D) Any/all scaffolding to be in good condition & all erections to be certified by a competent person.

E) All sites will have to be properly demarcated.

Requirements.

In terms of the SANS requirements the appointed contractor must comply with the following:

Mechanical requirements

Contractor must have suitably certified/registered & qualified artisans/technicians (SAQCC) relative to the specific service to be rendered.

Contractor must be registered with the Department of Labour & other relevant authorizing bodies.

Contractor must be registered for Workman's Compensation and have a valid letter of good standing. (Submission of valid proof workman's compensation (stamped by commissioner of oaths), (COIDA) & valid Public Liability.

All services carried out must comply with Occupational Health and Safety Act & Regulations: Act Number 85 of 1993.

**Contractor must issue a Certificate of Compliance after completion of work.
Appointed company has to be SABS registered (proof of registration attached with a quotation).
Technicians working on the equipment must have qualifications certify of SAQCC (2 years and above experience in Gas Suppression System) (FIRE RELATED – certificates/card attached with a quotation).**

Conclusion

That a contractor complying with SANS requirement be appointed

Register of equipment must be given to the client

Servicing of fire equipment as per SANS 1475 and servicing manual.

Replace all condemn and missing fire equipment.

All units in need of pressure testing will be done.

All gas suppression units must be left in working order to insure the above mention building is adequately fire protected, (this includes refilling or replacing gas suppression)

Specialist contractor is to inspect the above mention equipment and brief cost of service.

Certificate of complete fire protection to above mention facility to be submitted with the invoice to the NDPW with accordance with relevant regulations.

FIRE EQUIPMENT REGISTER TO BE GIVEN TO CLIENT AND WORKS MANAGER.

B) NOTES TO TENDERES

- Contractor is to supply project plan and work schedule at the commencement of works
- All Contractors must visit the building to see the work to be done on site, failure to submit Inspection Site Form will result to disqualification.
- Contractor to note that all quantities are re-measurable
- Job cards must be detailed, stamped and signed by the Client Department and accompany all invoices claimed
- Contractor must provide proof of relevant required registration and all compliant certification
- The Contractor must notify the relevant Works Manager immediately on completion of Works in all respects for inspection of the works

C) SCOPE OF WORKS

Repair and Service of 13 Gas Suppression Panel System Control and 34 X 300 Bar Gas Cylinders (Gases are Nitrogen, Argon) for Fire Protection.

D) PRICING SCHEDULE

- **Any change due will be confirmed by the Project Leader.**
- **Note All rates and totals must be filled in and completed in all respects**
- **All prices quoted must be inclusive of Labour, Materials, Profit and Transport**

4.3. Indicate administrative requirements applicable for specific goals, Tenderers will not be required to submit the below documents if not provided in the original tender proposals, Failure to comply with the criteria stated hereunder shall result in the tenderer not allocated points for specific goals

1	<input checked="" type="checkbox"/>	Submission of (PA-16): Preference Points Claim Form in terms of the Preferential Procurement Regulations 2022
2	<input checked="" type="checkbox"/>	A trust, consortium or joint venture (including unincorporated consortia and joint ventures) must submit a consolidated B-BBEE Certificate issued by a SANAS accredited service provider

5. THE FOLLOWING EVALUATION METHOD FOR RESPONSIVE BIDS WILL BE APPLICABLE:

<input type="checkbox"/> Method 1 (Financial offer)	<input checked="" type="checkbox"/> Method 2 (Financial and Preference offer)
---	---

5.1. This bid will be evaluated according to the 80/20 Preference points scoring system:

6. ELIGIBILITY IN RESPECT OF RISK TO THE EMPLOYER:

Standard risk management assessment criteria in respect of tenders received for routine projects in the engineering and construction works environments:

Tender offers will be evaluated by an Evaluation Committee based on the technical and commercial risk criteria listed hereunder. Each criterion carries the same weight / importance and will be evaluated individually based on reports presented to the Bid Evaluation Committee by the Professional Team appointed on the project. A tender offer will be declared non-responsive and removed from any further evaluation if any one criterion is found to present an unacceptable risk to the Employer.

In order for the evaluation reports to be prepared by the Professional Team, the Tenderer is obliged to provide comprehensive information on form DPW-09 (EC). Failure to complete the said form will cause the tender to be declared non-responsive and removed from any further consideration. The Employer reserves the right to request additional information over and above that which is provided by the Tenderer on said form. The information must be provided by the Tenderer within the stipulated time as determined by the Bid Evaluation Committee, failing which the tender offer will *mutatis mutandis* be declared non-responsive.

6.1 Technical risks:

Criterion 1: Experience on comparable projects during the past 5 years.

The tendering Service Provider's experience on comparable projects during the past 5 years. The number of current and previous comparable projects performed by the Tenderer as per the evaluation report prepared by the Consultant Team, based on its research and inspection of a representative sample of the Tenderer's current and previous work as reflected on form DPW-09 (EC), as well as, if necessary, of any additional work executed by the Tenderer, not reflected on form DPW-09 (EC). Failing to provide contactable references will result in the tender offer will be *mutatis mutandis* declared non-responsive.

Aspects to be regarded as "comparable" includes (but may be extended according to circumstances): size of projects (measured against monetary value or other project quantifying parameters), nature of projects (building, engineering, high/low rise, etc.), locality/area of execution (site-specific influences, knowledge of local conditions, etc.), complexity of project, projects for similar client department irrespective of end purpose of buildings/facilities created or in progress of being created and time scales of projects (normal, fast track, etc.) and stage of its/their development.

Criterion 2: Contractual commitment and quality of performance on comparable projects during the past 5 years.

Adherence to contractual commitments and quality of performance of comparable current and previous projects performed by the Tenderer during the past 5 years as per the evaluation report prepared by the Consultant Team, based on its research and inspection of a representative sample of the Tenderer's current and previous work as reflected on form DPW-09 (EC), as well as, if necessary, of any additional work executed by the Tenderer.

Aspects to be considered include, but are not limited to the following:

1. The level of progress on current projects in relation to the project programme or, if such is not available/applicable, to the contractual construction period in general;
2. The degree to which previous projects have been completed within the contractual completion periods and/or extensions thereto, and the extend of penalties imposed;
3. Project performance: time management & programming of works, timeous ordering of materials and appointment of subcontractors;
4. Financial management: payment to suppliers and cash flow problems;

Any reference to words "Bid" or Bidder" herein and/or in any other documentation shall be construed to have the same meaning as the words "Tender" or "Tenderer".

5. Quality of workmanship: extent of reworks and timeous attention to remedial works;
Personnel resources: suitably qualified and experienced, turnover in site staff and labour force, specifically site manager and foreman;
7. Personnel management: extent of labour disputes and ability to resolving labour disputes amicably;
8. Sub-contractors: extent of turnover in subcontractors, general liaison and payment problems experienced;
9. Contract administration: contractual aspects such as complying to laws and regulations, insurances, security, submission of required documentation timeously, reaction to written contract instructions, appointments of subcontractors, etc. as can generally be expected in standard/normal conditions of contract.
10. Health & Safety: adherence to regulations and compliance, and number of transgressions & serious incidents.
11. Plant & equipment: sufficient resources on site and in time.
12. Delays: extent of causing delays, submission of claims timeously, and abuse of or exaggerated delay claims.
13. Final account: extent to which the contractor assisted in finalising the final account.

Criterion 3: Suitably qualified and appropriately experienced human resources

Allocation of suitably qualified and appropriately experienced human resources, both in respect of principals and/or other staff (contract manager, site agent, site foreman including other professional, technical and/or administrative) of the tendering Service Provider to the project, as proof that the tendering Service Provider will be able to react/respond appropriately to the Services required herein. The Company Organogram with CV's and certified ID's of all principals and employed workforce as well as proof of Professional Registration will be verified. Current and future workload of the tenderer in relation to capacity and capability will also be considered. The tenderer should demonstrate that he or she possesses the necessary professional and technical qualifications and -competence in relation to the scope of work and work to be undertaken.

Criterion 4: Attendance of compulsory bid clarification meeting, if applicable

If applicable, submission of confirmation of DPW-16.1 (PSB) attendance of compulsory bid clarification meeting or proof of attending the compulsory virtual meeting by a suitably qualified and experienced representative of the tenderer in terms of PA-04 (EC): Notice and Invitation to Tender.

6.2 Commercial risks:

The financial viability assessment evaluates the risk over the life of the construction period, as to whether the tenderer will be able to deliver the goods and services which are specified in the contract and / or be able to fulfil guarantees or warranties provided for in the contract in order to complete the project successfully for the amount tendered.

Aspects to be considered include but are not limited to, the respective rates tendered, bank rating, financial capability and capacity whether the tenderer has or has access to sufficient financial resources to deliver the goods or services described in the tender documentation (including fulfilling any guarantees or warranty claims), whether the tenderer is not subject to any current or impending legal action (either formal proceedings or notification of legal action) which could impact on the financial standing of the tenderer or the delivery of the goods or services, financial report from auditors as proof of current liquidity, and company or any parent company or investor guarantee/s and financial statements.

7. COLLECTION OF QUOTATION DOCUMENTS

Quotation documents are available for collection during working hours

Alternatively; quotation documents may be collected during working hours at the following address **insert physical address**. A non-refundable bid deposit of **R insert amount** payable (cash only) on collection of the bid documents.

8. SITE INSPECTION MEETING

Any reference to words "Bid" or Bidder" herein and/or in any other documentation shall be construed to have the same meaning as the words "Tender" or "Tenderer".

Compulsory briefing session will be held in respect of this quotation.

The particulars for compulsory briefing session or virtual briefing session are:

Venue:	N/A		
Virtual meeting Link:	N/A		
Date:	N/A	Starting time:	N/A
