NOTE:

- The Awarded Contractor/Bidder shall not commence occupancy or start works on the site until a site hand-over and scope brief has been conducted with the Project Manager. This hand-over and scope review shall include a comprehensive briefing on the project's objectives, scope of work, timelines, and all relevant documentation. The hand-over and scope review will be conducted in person between the Project Manager and Awarded Contractor/Bidder. The Project Manager reserves the right to delay the commencement of works if these requirements are not met. Any failure to comply may result in penalties or termination of the contract as per the terms and conditions outlined in this specification and/or "PA-10 - Facilities management conditions of contract".
- **FAILURE TO SIGN AND SUBMIT THIS SPECIFICATION DOCUMENT WILL RENDER YOUR BID INVALID AND IT WILL NOT BE EVALUATED.**

SECTION A: CONDITIONS OF TENDER & SITE SPECIFICS

1. **Site Familiarization:** Contractor must introduce themselves and inform what they will be doing to the relevant official at the institution before any assumption of work (Contact Mr. S Zuma). Prior to visiting the site when quoting, the contractor must make timeous arrangements to inspect the site. Failure to get the Bill of Quantities stamped and signed by the contact person during this visit will render the quote unacceptable.
2. **Execution Urgency:** Due to the urgent nature of the works, the successful tenderer undertakes to commence the work immediately from the receipt of an official order number and proceed with due diligence to its final completion. The contract period is strictly **one (1) month** from the date of the official order.
3. **Pricing & Re-measurability:** All quantities are re-measurable. All prices quoted must be inclusive of labour, material, and transport. Any/all scaffolding costs must be shown separately and detailed in the rates. Necessary PPE for the complete works is to be included in the rates.
4. **Final Payment Amount:** The Contractor acknowledges that the total quoted price does not constitute a guaranteed payment amount. Upon completion of the services, all quantities will be subject to on-site re-measurement, and payment will be based strictly on the actual work verified and completed to ensure value for money. The Department reserves the right to amend the final purchase order downwards to align with the lower re-measured quantities; however, under no circumstances will the order amount be amended to a value higher than the original quoted amount.
5. **Occupational Health & Safety (OHS):** The Contractor must comply with all OHS regulations and instructions. A "Safety Plan" must be provided to the relevant Works Manager & Client OHS officer prior to commencement of any work. Any/all scaffolding must be in good condition and all erections must be certified by a competent person. All sites will have to be properly demarcated.

SECTION B: STATUTORY REQUIREMENTS, STANDARDS & BY-LAWS

The maintenance and installation of HVAC equipment in South Africa is strictly governed by law, especially regarding pressurized gases and environmental impact. Bidders must ensure all works strictly comply with the latest editions of the following standards and legislation:

2. **SANS 10400 - Part O:** National Building Regulations regarding Ventilation and Indoor Air Quality.
3. **ASHRAE Standard 15 & 34:** Safety Standard for Refrigeration Systems and Designation and Safety Classification of Refrigerants.
4. **NEMA: Air Quality Act (Act 39 of 2004):** Strict adherence to national regulations regarding the phasing out and safe handling of ozone-depleting substances and synthetic greenhouse gases. **Venting of any refrigerant gas into the atmosphere is strictly prohibited and is a prosecutable criminal offense.**
5. **Local Municipal By-Laws:** Compliance with local municipal by-laws regarding noise pollution during operation/construction, and the proper, certified disposal of hazardous waste (compressor oil, contaminated insulation, old refrigerant).

SECTION C: CONTRACTOR QUALIFICATIONS & REGISTRATIONS

In terms of SANS requirements and the OHS Act, the appointed contractor **MUST** submit valid proof of the following with their bid document. **NO SUBCONTRACTORS ALLOWED**. Failure to provide these will render the bid instantly invalid:

1. **SAQCC Gas Registration (Mandatory):** Technicians physically working on the equipment must have qualifications certified by SAQCC (HVAC & Refrigeration). Valid SAQCC cards must be attached to the quotation.
2. **SARACCA Registration:** The bidding company must be registered with the South African Refrigeration and Air Conditioning Contractors Association.
3. **BMS System Experience and or Sophisticated control Logic:** This facility is a high-profile building with BMS (Building Management System). The Bidder must be familiar with commercial HVAC sophisticated control logic and/or BMS systems. Bidders without this experience will not be considered.
4. **Department of Labour & Insurance:** Registered for Workman's Compensation with a valid letter of good standing (COIDA), and valid Public Liability Insurance.
5. **SABS Registration:** Appointed Company/Bidder has to install machinery and components that are SABS approved (proof of registration attached with a quotation). No inferior quality components or materials are allowed.

SECTION D: DETAILED TECHNICAL SCOPE OF WORKS

1. Indemnification & Liability (Clause 21)

The Service Provider shall be entirely liable for, and hereby expressly indemnifies the Employer (DPWI) and its representatives against any liability, claim, demand, loss, cost, damage, action, or legal proceedings arising from personal injuries, death, or loss of/damage to any property belonging to the Employer or third parties caused by the rendering of the Services.

2. Conditions of Work & Security (Clauses 5, 8 & 18)

- **False Information Warning:** If false information is provided regarding the safe handling of pressurized gases or environmental compliance, the company will be reported to the Department of Labour and the Department of Environmental Affairs for prosecution.
- **Site Cleanliness:** The site must always be kept clean. Work must not cause unnecessary noise or hinder the normal activities of the Magistrate Court.

3. Payment Terms, Retention & Invoicing (Clauses 7, 26 & 27)

- All supporting suppliers' material and service invoices must be provided together with all payment invoice claims to prove the use of OEM parts.

- **Retention Security:** A security retention of **2.5% of the Contract Sum (excl. VAT)** may be withheld by the Employer, released in accordance with Clause 27.
- The Employer shall effect payment upon receipt of an approved statement, the correct Tax Invoice, and the HVAC Certificate of Compliance.

4. Time Frames, Non-Performance & Termination (Clauses 25, 33 & 34)

- **Duration:** The project must be completed within **one (1) month**.
- **Penalties:** Failure to complete the works within the stipulated timeframe, or failure to perform the services to the required standard, will result in financial performance deductions.
- **Defective Work:** The guarantee shall cover the performance of the works and any defects due to inferior materials or workmanship. The contractor shall repair such defects without delay at their own cost.

1.2. Zero-Cost Rectification: Should any supplied equipment fail, malfunction, or lose refrigerant gas within this warranty period due to inferior materials, faulty components, or poor workmanship, the Bidder shall rectify the defect immediately. All costs associated with warranty repairs—including replacement parts, fresh gas, labour, transport, and scaffolding—shall be **entirely for the Bidder's own account**.

1.3. Response Time: The Bidder agrees to physically respond to the site for any warranty-related call-outs issued by the Works Manager within **48 hours** of receiving written or verbal notification.

2. NON-PERFORMANCE & NATIONAL TREASURY BLACKLISTING (RESTRICTION OF SUPPLIER)

2.2. Consequences of Restriction: Being placed on this database forbids the Bidder, the company, and its directors from conducting any business with any sphere of government or the public sector for a specified

period determined by National Treasury.
