A tender offer will be declared non-responsive and removed from any further evaluation if any one criterion is found to present an unacceptable risk to the Employer.

The Employer reserves the right to extend its risk assessment over and above the information and or references which was provided by the Tenderer. The Department reserves the right to request further information, clarification, elucidation, additional documentation / information, etc. as may be required to evaluate the tender and which must be provided by the Tenderer within the stipulated time as determined by the Bid Evaluation Committee/ delegated authority, failing which the tender offer will *mutatis mutandis* be declared non-responsive.

THE RISK CRITERIA ARE AS FOLLOWS:

5.1 TECHNICAL RISKS:

Criterion 1: Experience on comparable projects during the past five (5) years.

Failing to provide contactable references after an opportunity was provided, the reference/ testimonial will not be considered. Bidders must have at least **TWO (2)** contactable references. If a bidder's referee(s) fail(s) to respond to an enquiry or reference check from the Department, the reference/ testimonial will not be considered valid. Failure by bidder to provide the minimum required contactable referees who will provide references and recommendations on comparable projects, will result in the tender offer being *mutatis mutandis* declared non-responsive. If a bidder's referee(s) remains "not contactable", after it was provided an opportunity to submit alternative contact particulars, the reference letter/ testimonial will not be considered. Bidder's reference(s) must respond to any communication(s) or reference check(s) received from the Department. If a bidder's reference(s) received the Department's correspondence or acknowledge receipt or the Department's correspondence or the Department received a "read receipt" of the correspondence(s) sent to a bidder's reference, but the bidder's reference(s) do(es) not respond to the Department's enquiry / or reference check, the relevant reference (who did not respond) will not be considered. If a referee is not contactable, the bidder will be provided one opportunity to provide alternative contact detail(s) for the relevant referee and or will be provided one opportunity to provide contact details of an alternative referee on the same project. The Department will not considered the relevant reference valid, if the reference remains non-contactable after an opportunity was provided.

The following bid offers will be deemed a high risks and will not be considered by the Department for further evaluation:

1) If at least one referee confirms in writing that the bidder failed or underperformed on any of its projects with in the past five (5) years,
2) If a referee confirms that a bidder failed to remunerate or failed to timely remunerate its employees the minimum prescribed national legislated wages of South Africa, will be considered a high risk in any of the past five years.
3) If it is confirmed that the bidder in a current running contract is failing to perform or is underperforming or is not paying salaries on time or is not paying it employees the minimum prescribed wages on time.

If at least one referee confirms in writing that a bidder failed to deliver or supply any goods and services or was not able to fulfil guarantees or warranties provided which are specified in the contract within the past five (5) years, the bidder will be considered a high risks and will not be considered for further evaluation.

Aspects to be considered include but not limited to, the discount and respective rates tendered, financial viability to provide the level of services required to complete the project successfully. The cost of the allocated personnel resources will also be considered in relation to the complexity, magnitude and time frame to implement and complete the project successfully. The tenderer's willingness to correct arithmetical errors, imbalanced rates, omissions and/or discrepancies in the pricing activity schedule without adjusting the Tender Amount will be considered. Furthermore, whether the tenderer is not subject to any current or impending legal action (either formal proceedings or notification of legal action), which could impact on the financial standing of the tenderer or the delivery of the services, management accounts / financial report from auditors as proof of current liquidity, and company or any parent company or investor guarantee/s and financial statements.

The Employer reserves the right to request the bidder to balance the Activity Schedule without altering the total tender amount. Failure to balance the Activity Schedule realistically and amicably or refusal by the bidder to balance the Activity Schedule will render the Bid unacceptable and a risk to the Employer, and will therefore be excluded from further consideration.

An opinion will be formed by each of the members of an evaluation panel/delegated authority according to his/her assessment of the financial viability of the amount tendered in order to render the service. Members of the evaluation panel or the delegated authority will present a report on the risk assessment from their respective risk perceptions on the financial viability of the offer received. 7.1 The Bid will not be subjected to any price escalation, unless specified otherwise in the bid documents.

8.2 In the case of a bid being submitted on behalf of a company, close corporation or partnership, evidence should be submitted with the bid at the closing time, that the Bid has been signed by a person properly authorised by resolution of the directors or under the articles of the entity. For that purpose, forms PA-15.1-15.3 (Resolution of Board of Directors) are included in the bid document for completion by the relevant Board(s) of Directors

8.3 The department further accepts that, in the absence of a PA 15.1: Resolution of Board of Directors, any director or any member of the enterprise may have the authority to bind the enterprise. Therefore the following will apply when only one director or one member of the enterprise signed the bid documents:

8.3.1 The signature of any one of the directors or any one of the members of the enterprise will bind the enterprise and all the directors/ members of the enterprise. This condition will therefore render the bid valid; and

8.3.2 The Department will verify the authority to sign (if deemed necessary) and where possible, may request proof of such authority of the relevant director or relevant member to act on behalf of the enterprise in the form of a " Resolution of the Board of Directors", if such ", (PA 15.1: Resolution of Board of Directors)," was not submitted with the bid or was not completed or was incorrectly completed,

8.4 In the case of a sub-contractor agreement, a joint venture or consortia, the signing of the sub-contractor agreement, or Joint Venture or Consortia agreement by any director or member of each of the parties to the agreement, will render the sub-contractor agreement or Joint Venture or Consortia agreement valid. Therefore:

8.4.1 The Department reserves the right to request from each party to the sub-contractor agreement or Joint Venture or Consortia" agreement, proof of such authority of the relevant director or relevant member to act on behalf of the enterprise(s), in the form of a " Resolution of the Board of Directors", if it was not submitted with the bid or was not completed or was incorrectly completed,

8.5 In the event that a non-member or non-director to the enterprise(s) sign the bid documents and or sign a joint venture or consortia agreement, an "Authority to sign" issued by a director of the enterprise(s) or by the Board of Directors of the enterprise(s) must be submitted with the bid at the closing date. 13.3 The award of contract would be conditional (for Non-VAT vendors who included VAT in their prices) conditional pending the successful bidder submitting proof of registration as VAT vendor with SARS within 21 days of award.

13.4 Failure to comply within 21 days after being notified to do so will lead to the automatic withdrawal of the "provisional letter of award" and elimination of the bidder's offer.

13.5 VAT vendors must include VAT in their bid prices and failure to comply will lead to an automatic elimination of the bidder's offer.

13.6 In all other instances, where bidders have excluded VAT from the prices quoted, if the bidder is successful, the letter of award will clearly state that the price at which the contract is awarded is exclusive of VAT and that VAT will not be added on at any stage after the contract has been signed.

13.7 If a Non-VAT vendor/ bidder is contracted with the Department with a price which is Excluded Vat, and it becomes a VAT vendor after award or alternatively becomes a VAT vendor due to a cumulative number of awards, the bidder will have to absorb the adverse financial implications of not including VAT in their price quoted.
