### 3. TERMS OF REFERENCE FOR THE PROCUREMENT OF PRIVATE SECURITY SERVICE TO CONDUCT SECURITY RISK ASSESSMENT TO DPWI BUILDINGS IN PRETORIA CBD

#### 3.1. INTRODUCTION

3.1.1. The Department of Public Works and Infrastructure (DPWI) owns several vacant office Buildings in Pretoria CBD, which have become target of vandalism, illegal occupation, theft of valuable equipment such as cables, steel and aluminium. To be specific, the problematic vacant office Buildings are **TPA or Public Works House, Telkom Towers, Old National Treasury Building**, next to the Judge's chambers in Church Square, the old building which was utilised by the **Department of Agriculture and Rural Land Reform, CGO and Civitas Building**. Evidence indicates that the perpetrators of these criminal activities are not only the so-called vagrants / nyaope boys, but organised criminal syndicates as there is huge demand for cables, aluminium and steel.

3.1.2. Recently, several bodies of unknown people were discovered in one of the vacant buildings called TPA Building or Public Works House, situated between Pretorius and Bosman Streets. Suspicion is that there could be rivalry and competition to loot by the criminal groups who are looting the building and as the result, they resorted to killing each other. The DPWI has and is safeguarding these buildings through the unarmed services of private security companies. However, the criminals come in large numbers, armed, and overpowered the unarmed security officers who would run for cover. The situation is made worse at night because some of these buildings do not have electricity. The situation has become worrying and hence the department has decided to seek expert security advice and skill from the bidders on how the department can protect and safe-guard these buildings.
