	SUPPLY AND INSTALL DESIGNER CARPET			
	NB: This designer carpet was designed specifically for the President house. The designer has mixed 10 different colours of Wool and Nylon to produce the end product that was approved by the President house Manager. Because of the complexity of the colour patterns, only a specialised installers will be allowed to install this carpet. This job will only be done by the installer who are specialising in installing international places like the hotels. It is a valued carpet. The staircase is so tricky the way it is designed.
