1. INTRODUCTION

The Property Management Trading Entity (PMTE) has been established by the Department of Public Works and Infrastructure (DPWI) to manage the property portfolio of government. As part of its business systems the PMTE uses a number of business automated solutions and services to achieve its strategic objectives.

The Department of Public Works & Infrastructure (DPWI) is also appointed by Cabinet as the custodian of the Expanded Public Works Programme (EPWP).

As the coordinator, DPWI is responsible for monitoring progress in the implementation of the EPWP and evaluate the impact on employment, poverty and service delivery. Monitoring and evaluation of the EPWP is an important element in the implementation of the programme.

In order to achieve the above mandates, DPWI has implemented digitalised solutions that are hosted on Red Hat Enterprise Linux OS platform.

It is required to renew Red Hat Enterprise Linux OS subscriptions for the solutions running on this platform to continue getting all the OS updates, security patches and OEM support. This will add to the mitigations to ensure business continuity should there be interruptions in the provision of the service delivery due to lack of OS upgrades and security patches.

2. OBJECTIVE OF THIS PROJECT

The objective of this project is to appoint an OEM certified service provider that will acquire the Red Hat Enterprise Linux OS subscriptions on behalf of DPWI.

3. SCOPE OF WORK

The scope of the quotations contract will be to provide 11 Red Hat Enterprise Linux OS subscriptions that will be valid for a period of 24 months.

4. PRICING

Costing must include price for the Red Hat Enterprise Linux OS subscriptions for a period of 24 months. The total pricing must take into consideration the following:

Item	Quantity	Validity Period	Cost
Red Hat Enterprise Linux subscriptions Renewal for 24 months	11	24 Months	
Total			
15% Vat			
Total incl. Vat
