7/2/21

The appointed Training Provider will be required to perform the following services in line with the relevant SETA/ETQA and DHET/NSF prescripts.

4.1. Pre - training deliverables:

Avail him/herself as well as all required resources for training at the due diligence session. This is an ongoing evaluation process and capacity verification which will be conducted by the Department at any stage of the project.

Attend a compulsory logistics meeting to be coordinated by DPWI, after signing of the contract/SLA, in preparation for implementation.

Verify with SAQA/QCTO to ensure validity of the selected programmes before commencement of training and ensure compliance with the relevant SETA/ETQA requirements for the Learning programme implementation.

Ensure that, all relevant/required staff, infrastructure, consumables including protective clothing and equipment for achievement of the theoretical, practical and workplace outcomes of this programme, are in place as per the relevant SETA/ETQA prescripts and requirements.

All consumables should remain with the project/learners at the completion of training, whilst equipment's should be provided on a lease-basis as per the duration of the applicable activities of the course.

Secure the accessible and suitable SETA or ETQA compliant venue. This venue will be for theoretical and practical training only for all learners. The training provider should provide the classroom facilities which comply with the relevant SETA or ETQA classroom ratio and must be within the accessible radius of 2.5 kilometres and not exceeding 5 kilometres distance from the project site. The project's locality is indicated in the project sheet attached (Annexure B). Note: The EPWP projects will be used as facilities for workplace learning).

In line with the SETA or ETQA prescripts, avail the relevant and sufficient workplace coordinators and personnel who will continuously support and guide learners during the experiential learning. The existing EPWP projects will be used for workplace learning, therefore the provider should not charge or cost for workplace facilities, but for workplace learning or coordination only.

NB: The training provider may agree with all stakeholders to utilise free/unpaid project's/Government facilities, equipment, consumables etc., if suitable and sufficient. However, no claim should be submitted to DPWI by provider in such cases. The claim will only be paid for provision of such facilities by the provider and a DPWI verification report confirming that the provider has secured a suitable private/paid venue, should accompany such claims.

4.2. Training deliverables:

The contracted training provider must:

Provide all required resources throughout the training duration to ensure compliance to the applicable prescripts.

Conduct a one day pre/diagnostic assessment to ensure all learners knowledge, skill and understanding which is assumed to be in place, is reasonable to support the achievement of the programme. The results thereof should be reported to EPWP before commencing with training. NB: EPWP participants in a project are at various NQF levels at entry.

Implement training in the language preferred by learners, where applicable. EPWP participants are at different entry NQF levels and may need to be trained in the language they understand better to ensure successful completion of the programme to avoid a high dropout rate.

Upload and register learners' detail on the ETQA database as per the SETA requirements.

Provide **15** days (30% of the course duration) of theoretical and practical training to ensure that all the learners successfully complete the training as per the agreement and ETQA prescripts.

Provide **34** days (70% of the course duration) of workplace learning and coordination through **one (1) site visit per week**, ensure continuous guidance and support towards successful completion of the training. NB: A site visit coordination session should be **for Eight (08) hours** per visit per project and coordinated by the relevant ETD personnel as per the applicable SETA or ETQA requirements.

Assess all learners' portfolios of evidence (POE), re-assess where necessary, moderate and upload learners' achievements in line with the SETA/ETQA prescripts, to ensure that all successful learners receive certificate of attendance and credits/statements of results or competency certificates.

Provide remedial support as and when required in line with the SETA prescripts to assist the not yet competent learners to successfully complete the programme.

Monitor, evaluate and mentor continuously to ensure that, all learners are supported to enhance 100% completion rate at the end of the learning programme.

Produce progress reports at the end of each activity in line with the SETA or ETQA prescripts. These reports will form part of support documents for respective payment tranches as outlined in paragraph 6 below e.g. theory, workplace learning, etc.

Ensure ETQA's involvement for quality assurance and verification of learners' POE at applicable levels of the programme in order to facilitate successful completion of the programme in accordance with the set timeframes.

Continuously liaise with the relevant SETA or ETQA for timeous certification of the successful learners, upon completion of the programme.

4.3. Reporting and communication

The contracted training provider should:

Provide comprehensive reports and all other relevant documents, as per the agreed timelines, to the EPWP Project Manager. It should be noted that any relevant official from EPWP, may be involved in the project in collaboration with the EPWP regional office.

Communicate any training related matters or challenges to the DPWI EPWP Regional Training Manager allocated to the project, and elevate such matters, if unresolved, to the Regional Programme Manager, then to Head Office level, if necessary or unless otherwise deemed fit.

In line with the POPI Act, keep and protect any learner's data and information as confidential and not divulge any such data and or information to the third party without the prior written consent of the department.

Any dispute will be handled in terms of the applicable DPWI prescripts which will be outlined and signed during signing of the service level agreement with the successful bidder.

5. EVALUATION CRITERIA OF APPLICATIONS/BIDS

In order to appoint an appropriate and efficient training provider who will ensure successful delivery and completion of this project, the following critical criteria should be met by the Training Provider:

M.T

5.1. Administrative responsiveness criteria

The providers must attach all required documents as outlined in the procurement documents provided (refer to the PA-03: Notice and Invitation for quotation).

An omission in any of the required documents may render the bidder non-responsive. Training providers who comply with administrative responsiveness as set in the procurement document will be evaluated for price. Training providers are requested to ensure the following:

- Completion of returnable documents, submission of appropriate certificates, documents and information as required to determine eligibility (refer to the PA-03: Notice and Invitation for quotation).
- The training provider must have a valid and relevant accreditation by the applicable ETQA/SETA for: **National Certificate: General Security Practice, NQF Level 3, SAQA ID: 58577** including the unit standards provided at table under point 4 above.

5.2. Price

All quotations to be submitted in the prescribed pricing structure attached. Providers should submit quotations in line with their applicable VAT statuses using the pricing structures attached (Annexure A).

All quotations received will be evaluated for price in line with the PFMA and the departmental procedures.

6. CONDITIONS OF SERVICE (AFTER APPOINTMENT):

The appointed Training Provider will be required to:

The bidders should ensure compliance to local content and production for provision of the applicable equipment, PPE and consumables.

Sign the SLA with DPWI for **five (05) months** for the successful completion of the training i.e. **two (02) months** for training and completion the skills programme and **three (03) months** buffer period for, amongst others, administrative work with the SETAs or DPWI before and after training. Any work implemented after the contract duration without prior approval by DPWI, will not be paid for.

A compulsory logistics meeting with the appointed training provider and all stakeholders will be coordinate by DPWI before training commences. This is to clarify, agree, and finalize all implementation issues.

The project implementation plan with the schedule indicating clear timelines, and deliverables will be agreed upon & approved by DPWI before the commencement of the training.

No advance payment will be made for the execution of this project. All payments will be made based on satisfactory services rendered, as stipulated in paragraph 7 below.

The EPWP project sites, will, if deemed suitable, be used for workplace learning. Therefore the training provider should not claim for workplace facilities but should claim workplace coordination and support.

The appointed training providers will sign the contract and other delivery agreements and Annexures.

7. PRICING AND PAYMENT STRUCTURE

7.1. Submission of quotations

The quotations should be submitted by providers as follows:

Quotations documents must be signed by the company representative nominated.

Bidders to submit the signed bid pricing structure (Annexure A) as per the provided template. Any quote submitted in a different format may be disqualified as it is a responsive criterion. Training providers should familiarise themselves with the explanatory notes per item of the pricing structure to ensure that the bids are accurately compiled and submitted.

Training providers must ensure that the rates are market-related in line with applicable SETA prescripts.

All the one-day activities should be priced on a once off basis (not daily rate) e.g. overheads, moderation, certification, etc.

The learner allowance rates should be as per the applicable SETA/ETQA rates or EPWP set rates.

Training providers should submit quotes in line with their applicable VAT status using the pricing structure template attached (Annexure A).

Quotes must be submitted as per the set supply chain management timelines, any quotes received after the deadline will not be considered by DPWI.

7.2. Payments structure:

All payments are performance-based.

No advance payment will be made for the execution of this project. All payments will be made based on satisfactory services rendered, as stipulated in paragraph 7.3 below. No performance and learner's attendance, no payment.

The Training Provider shall provide the Department with originally signed invoices with support documents, as per the pricing structure and drawdowns below:
